

REMARKS

By this Amendment, the specification and the abstract have been amended.
No new matter has been added.

Claims 1-6 have been amended. The amendments to the claims 1-6 have not been made to define over the prior art, but have rather been made to present claims in a better form for examination, to remove unnecessary limitations and/or to more fully cover the scope of the present invention. In addition, new claims 7-12 have been added to more fully cover the scope of the present invention. Accordingly, claims 1-12 are pending examination.

Favorable consideration of the amendments to the specification, abstract and claims is respectfully requested.

In view of the above amendments, Applicants believe the pending application is in condition for allowance. Notification of which is respectfully requested.
